

PRESS RELEASE FOR IMMEDIATE RELEASE

EZ Dupe introduces the new HD Mini Hard Disk Drive (HDD) Duplicator

City of Industry, CA June 5, 2015 – EZ Dupe is proud to announce the release of new HD Mini HDD Duplicator. HD Mini is a slim and ultimate lightweight HDD duplicator for mobile usage. No matter indoors, outdoors, or travelling, you can duplicator hard disk drive anywhere anytime without interruption. It is not necessary to disassemble a HDD from computer for duplication with HD Mini, simply connect the HD Mini to the HDD inside the computer with cable and one or two blank HDDs for data backup. HD Mini gives you more flexibility!

Features:

- Ultimate lightweight and slim design for mobile usage, weighs only 0.5kg.
- Simple intuitive one-touch operation: No complicated options and settings, duplication starts immediately with just one touch operation.
- Fast copy mode for higher efficiency: Auto detects System and Files and only copies the data area.
- Supports 2.5 "and 3.5" hard disk drive and SSD
- Supports MBR and GPT partition format, unlimited capacity, and 4K advanced format hard disk drive
- Equipped with LED lights, work status at a glance
